

TPC VISION STATEMENT

Troy People Concerned connects the community to provide a helping hand in times of need.

MISSION STATEMENT

Troy People Concerned is a service organization supporting Troy residents in times of need with assistance, information and referrals.

2020 has been a year of crisis for our community and for our nation. The people we serve are experiencing this crisis on a personal level. While the needs in the community have increased, the pandemic has limited us from fully engaging in the activities that allow us to generate all of the resources needed to respond to this crisis. But we remain committed to serving those on the margins in our community.

TPC was founded by local churches in 1974 to pool their resources and to help people of Troy during times of crisis. We are so thankful for those who have supported us through the years. As this year comes to an end we face a community that is experiencing increased unemployment and greater need for community services including food pantries and emergency assistance. Our ability to respond to these needs are dependent upon a response from within the City of Troy. We ask that you consider donating to Troy People Concerned, not only at the end of this year but monthly throughout the coming year. Checks can be mailed to our address below and we also have a PayPal account on our website at www.troypeopleconcerned.org. Look for the Donate button.

We are also in need of compassionate and wise volunteers to serve on our Board of Directors. If this is something you or a member of your congregation are interested in please contact us at 248.528.9199.

Thank you,

Pastor George Houston, TPC Board President
